

BAKED BANANAS WITH RUM AND ICE CREAM

1 banana per person

3-4 tablespoons dark rum

3-4 ounces vanilla ice cream per person

pinch of ground cinnamon per person

Place unpeeled bananas on a baking pan in a preheated 350-degree oven; bake until the skin turns completely black, 18-20 minutes. Allow to cool slightly and slice open down the top; use a fork to mash banana while still in the peel. Spoon into serving dish; top with rum and a scoop of ice cream. Drizzle with additional rum and a sprinkling of cinnamon. Serve immediately.

NOTE: Can be made on a covered grill.
